CERTIFICATE OF EXEMPTION FROM NEW YORK SALES AND USE TAX

To Whom It May Concern:

RE: Purchase Orders from Anheuser-
Busch, Incorporated, as Agent
for Onondaga County Industrial
Development Agency

This is to certify that purchases by the Onondaga County Industrial Development Agency, through its agent, Anheuser-Busch, Incorporated, of materials to be incorporated into the brewery facility owned by the Onondaga County Industrial Development Agency and located in the Town of Lysander, New York, and purchases or rentals of supplies, tools, equipment, or services necessary to construct, renovate, or equip such facility, are totally exempt from any sales or use tax imposed by the State of New York or any governmental instrumentality located within the State of New York. It is hereby further certified that since Onondaga County Industrial Development Agency is a public benefit corporation, neither it nor Anheuser-Busch, Incorporated, as its agent, is required to furnish an "Exempt Organization Certificate" in order to secure complete exemption from such sales and use tax for such items.

A copy of this certificate retained by any vendor or seller to Anheuser-Busch, Incorporated, as agent for Onondaga County Industrial Development Agency, may be accepted by such vendor or seller as a "statement and additional documentary evidence of such exemption" as provided by New York Tax Law, §1132(c)(2), thereby relieving such vendor or seller from the obligation to collect sales and use tax upon purchases or rentals of such materials, supplies, tools, equipment, or services by Onondaga County Industrial Development Agency through its agent, Anheuser-Busch, Incorporated.

Very truly yours,

ONONDAGA COUNTY INDUSTRIAL DEVELOP-
MENT AGENCY
