WHEREAS, except as provided in the Preliminary Project Agreement, no Financial Assistance shall be provided to the Company prior to the effective date of this Project Agreement;

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed that the Preliminary Project Agreement is amended and restated as follows:

ARTICLE I
PURPOSE OF PROJECT

Section 1.01 Purpose of Project. It is understood and agreed by the parties hereto that the purpose of the Agency's provision of Financial Assistance with respect to the Project is to, and that the Agency is entering into the Underlying Lease, the Lease Agreement, the PILOT Agreement and this Project Agreement in order to, promote, develop, encourage and assist in the acquiring, constructing, maintaining, equipping and furnishing of the Project Facility to advance job opportunities, health, general prosperity and economic welfare of the people of the County of Onondaga and to otherwise accomplish the public purpose of the Act.

ARTICLE II
REAL PROPERTY TAX EXEMPTION

Section 2.01. PILOT Agreement. Attached hereto and made a part hereof is Exhibit A, which contains an executed copy of the PILOT Agreement entered into by and between the Company and the Agency. The amount of real property tax abatement benefit comprising the Financial Assistance shall be approximately **\$283,882,226**, which such amount reflects the total estimated real property tax exemptions for the Project Facility (which constitute those taxes that would have been paid if the Project Facility were on the tax rolls and not subject to the PILOT Agreement) of approximately \$368,384,225, less the total payments in lieu of taxes of \$84,501,999 to be made by the Company to the Taxing Jurisdictions with respect to the Project Facility during the term of the PILOT Agreement. The amount of estimated real property tax exemptions is estimated based on an assumed assessed value of the Project Facility and assumed future tax rates of the Taxing Jurisdictions; therefore the real property tax abatement benefit is estimated because it is calculated using the estimated real property tax exemptions. The actual amount of real property tax abatement benefit is subject to change over the term of the PILOT Agreement depending on any changes to assessed value and/or actual tax rates of the Taxing Jurisdictions. The PILOT Agreement contained in Exhibit A attached hereto reflects an annual breakdown of the payments in lieu of taxes to be made to the Taxing Jurisdictions in each year during the term of the PILOT Agreement ("Total PILOT"), an estimated value of the real property tax exemptions ("Full Tax Payment without PILOT"), and an estimated value of the real property tax abatement benefits ("Net Exemptions").

Failure by the Company and/or any Sub-Agent thereof to include such language shall disqualify the agent status and sales and use tax exemptions derived by virtue of this Project Agreement. The Company, for itself and on behalf of all duly appointed Sub-Agents, hereby agrees that all contracts entered into by the Company and any Sub-Agents thereof shall be available to the Agency for inspection and confirmation of the foregoing mandatory language.

Section 4.03. Appointment of Sub-Agents. The Company further covenants and agrees that it will, within thirty (30) days of each filing, provide a copy of same to the Agency, but in no event later than February 15 of each year. The Company understands and agrees that the failure to file such annual statement may result in the removal of (1) the Company’s authority to act as agent for the Agency, and (2) the authority of any sub-agent of the Agency appointed by the Company pursuant to Section 4.03 hereof to act as agent for the Agency.

(g) Upon request by the Agency with reasonable notice to the Company, the Company shall make available at reasonable times to the Agency all such books, records, invoices, bills or purchase orders of the Company and any Sub-Agent, and require all appropriate officers and employees of the Company to respond to reasonable inquiries by the Agency, as shall be necessary for the Agency to ensure compliance with the Act or applicable policies of the Agency (y) to indicate in reasonable detail those costs for which the Company or any Sub-Agent shall have utilized the Sales Tax Exemption and the dates and amounts so utilized, and (z) to permit the Agency to determine any amounts owed by the Company under this Section 3.03 or under Article IV. If the Company or the Sub-Agent, as applicable, believes in good faith that there is information about the Company, the Sub-Agent in or to be in the Agency’s possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the Company or any Sub-Agent’s competitive position, the Company must identify such elements in writing, supply same to the Agency and request that such elements be kept confidential in accordance with Article 6 of the New York Public Officers Law.

ARTICLE VI
SUSPENSION, DISCONTINUATION, RECAPTURE
AND/OR TERMINATION OF FINANCIAL ASSISTANCE

Section 6.01. Suspension, Discontinuation, Recapture and/or Termination of Financial Assistance. It is understood and agreed by the Company and the Agency that the Agency is entering into the Underlying Lease, the Lease Agreement, the PILOT Agreement and this Project Agreement in order to provide Financial Assistance to the Company for the Project Facility and to accomplish the public purposes of the Act.

(a) The Company attests that it understands and agrees to the recapture provisions of the Agency's Uniform Tax Exemption Policy (the "Policy").

(b) In accordance with Section 875(3) of the Enabling Act, the Policy, and the Approving Resolution, the Company covenants and agrees that it is subject to recapture of all State sales and use tax exemption benefits if:

(1) the Company or its Sub-Agents, if any, authorized to make purchases for the benefit of the Project is not entitled to the State sales and use tax exemption benefits; or

(2) the State sales and use tax exemption benefits are in excess of the amount authorized by the Agency to be taken by the Company or its Sub-Agents, if any; or

(3) the State sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(4) the Project has failed to comply with a material term or condition to use the property or services in the manner required by any project document between the Company and the Agency.

Each of the foregoing four events are hereinafter referred to as a "State-Mandated Recapture Event". The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency's attention, whether a State-Mandated Recapture Event has occurred.

(c) In addition to Section 6.01(b), in accordance with the Policy and the Approving Resolution, the Company covenants and agrees that the Agency shall have the right to suspend, discontinue, recapture or terminate all or any portion of any Financial Assistance:

(1) for projects that utilized local sales and use tax exemption, the project was not entitled to such exemptions, such exemptions were in excess of the amounts authorized by the Agency; and/or such exemptions were for property or services not authorized by the Agency ("Local Sales Tax Benefit Violation");

(2) the Company fails to reach and maintain 75% of its Employment Commitment ("Job Deficit");

(3) the Company fails to meet its Reporting Commitment (“Reporting Failure”); or

(4) there otherwise occurs any event of default under any Basic Document (as that term is defined in the Lease Agreement) (each, an “Event of Default”) or a material violation of the terms and conditions of any Basic Document (a “Material Violation”).

The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency’s attention, whether a Local Sales Tax Benefit Violation, Job Deficit, Reporting Failure, Event of Default or Material Violation (each a “Noncompliance Event”) has occurred. Notwithstanding the foregoing, the Agency may determine whether an Event of Default has occurred pursuant to any Basic Document in accordance with the terms of such Basic Document.

At the time of any Noncompliance Event, the Agency shall determine by resolution whether to exercise its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance, and shall consider the following criteria in determining whether to proceed to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance:

- Whether the Company has proceeded in good faith.
- Whether the Project has not performed as required due to economic issues, changes in market conditions or adverse events beyond the control of the Company .
- Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance would create a more adverse situation for the Company , such as the Company going out of business or declaring bankruptcy, which would not occur if the Agency’s rights were not exercised.
- Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance would create an adverse situation for the residents of the County of Onondaga.
- The assessment prepared in accordance with the Agency’s annual assessment of all active projects.
- The potential future benefit of the operation of the Project Facility to the community.
- Such other criteria as the Agency shall determine is a relevant factor in connection with any decision regarding the exercise of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance.

The Agency shall document its evaluation of the above criteria in writing and, based upon its evaluation, the Agency shall determine whether to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance (the “Determination”). The Determination shall provide terms, if any, by which the Company may remedy any Noncompliance Event upon which the Determination was based. The Company must submit written documentation to the Agency of compliance with all terms and conditions of the Determination in order for the Agency to consider whether to resume Financial Assistance to the Company (which will be at the Agency’s sole discretion).

(d) If a State-Mandated Recapture Event occurs or the Agency makes a Determination, the Company agrees and covenants that it will: (i) cooperate with the Agency in its efforts to recover or recapture any or all Financial Assistance obtained by the Company; and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the State and/or the appropriate affected tax jurisdictions, unless agreed to otherwise by any local taxing jurisdiction. The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner may assess and determine the State sales and use tax due from the Company, together with any relevant penalties and interest due on such amounts.

(e) In the event the Agency shall make a Determination to recapture all or any portion of the Financial Assistance, then the value of the Financial Assistance extended to the Company by the Agency shall be subject to recapture as described below in this paragraph (e).

(1) The recapture payment required to be paid by the Company to the Agency shall be equal to the (x) sum of (1) the difference between any PILOT payments made by the Company and the real property taxes that would be paid by the Company if the Project Facility were not under the supervision, jurisdiction or control of the Agency, and (2) the amount of sales and use tax that would have been paid by the Company if the sales and use tax exemption had not been granted; (y) multiplied by the Applicable Percentage as set forth in subparagraph (2) of this paragraph (e).

WHEREAS, by the Approving Resolution, the Agency delegated to the Company the authority to appoint sub-agents subject to the execution of a project agreement by and between the Company and the Agency and compliance with the terms set forth therein; and

WHEREAS, the Company and the Agency entered into an amended and restated project agreement by and between the Company and the Agency dated as of April 1, 2026 (the “Project Agreement”);

NOW, THEREFORE, the parties hereto hereby agree as follows:

1. The Company hereby appoints the Sub-Agent as an agent of the Agency for the purpose of assisting the Company and the Agency in the completion of the Project and benefitting from the State and local sales and use tax exemption relative to expenditures made in furtherance thereof. The Sub-Agent is only an agent of the Agency for the aforementioned purposes. The Sub-Agent hereby agrees to limit its activities as agent for the Agency under the authority of this Agreement to acts reasonably related to the completion of the Project Facility.

2. The Sub-Agent covenants, agrees and acknowledges:

a. To make all records and information regarding State and local sales and use tax exemption benefits claimed by it in connection with the Project available to the Company and the Agency upon request. The Sub-Agent agrees to comply with all procedures and policies established by the State Department of Taxation and Finance, or any similar entity, regarding the documenting or reporting of any State and local sales and use tax exemption benefits, including providing to the Company all information of the Sub-Agent necessary for the Company to complete the State Department of Taxation and Finance’s “Annual Report of Sales and Use Tax Exemptions” (Form ST-340).

b. To be bound by and comply with the terms and conditions of Section 875(3) of the Act as if such section were fully set forth herein. Without limiting the scope of the foregoing, the Sub-Agent acknowledges that pursuant to Section 875(3) of the Act, the Agency shall recover, recapture, receive or otherwise obtain from the Sub-Agent the portion of the Financial Assistance (the “Recapture Amount”) consisting of: (1) (a) that portion of the State sales and use tax exemption claimed by the Sub-Agent to which the Sub-Agent was not entitled, which is in excess of the amount of the State sales and use tax exemption authorized by the Agency or which is for property or services not authorized by the Agency; or (b) the full amount of such State sales and use tax exemption claimed by the Sub-Agent, if the Sub-Agent fails to comply with a material term or condition regarding the use of the property or services as represented to the Agency in the application to the Agency in regard to the Project or otherwise; and (2) any interest or penalties thereon imposed by the Agency or by operation of law or by judicial order or otherwise.

c. That the failure of the Sub-Agent to promptly pay such Recapture Amount to the Agency will be grounds for the State Commissioner of Taxation and Finance to collect sales

and use taxes from the Sub-Agent under Article 28 of the Tax Law, together with interest and penalties. In addition to the foregoing, the Sub-Agent acknowledges and agrees that for purposes of exemption from State sales and use taxation, “sales and use taxation” shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the Tax Law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

d. That all purchases made by the Sub-Agent in connection with the Project shall be made using “IDA Agent or Project Operator Exempt Purchase Certificate” (Form ST-123, a copy of which is attached hereto as Exhibit A), and it shall be the responsibility of the Sub-Agent (and not the Agency) to complete Form ST-123. The Sub-Agent acknowledges and agrees that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Sub-Agent is making purchases of tangible personal property or services necessary for the completion of, or to be incorporated or installed in or for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Sub-Agent acknowledges and agrees that the bill of invoice should state, “I, [NAME OF SUB-AGENT], certify that I am a duly appointed agent of the Onondaga County Industrial Development Agency and that I am purchasing the tangible personal property or services necessary for the completion of, or to be incorporated or installed in or for use in the following IDA project and that such purchases qualify as exempt from sales and use taxes under my Sub-Agent Appointment Agreement.” The Sub-Agent further acknowledges and agrees that the following information shall be used by the Sub-Agent to identify the Project on each bill and invoice: Micron New York Semiconductor Manufacturing LLC Project; located on the westerly side of Burnet Road in the Town of Clay, Onondaga County, New York; IDA Project No.: 3101-23-07A. The Sub-Agent further acknowledges and agrees that all contracts entered into by the Sub-Agent, as agent for the Agency, shall include the following language:

“This contract is being entered into by _____ (the “Agent”), as agent for and on behalf of the Onondaga County Industrial Development Agency (the “Agency”), in connection with a certain project of the Agency for the benefit of the Agent consisting in part of the acquisition and installation of certain machinery, equipment and building materials, all for incorporation and installation in all or a portion of approximately 819.92 acres of land located on the westerly side of Burnet Road (tax map nos. 046.-02-01.0, 046.-02-02.1, 046.-02-02.2, 046.-02-03.1, 046.-02-04.0, 046.-02-05.1, 046.-02-05.2, 048.-01-01.0, 048.-01-02.2, 048.-01-23.1, 048.-01-23.2, 048.-01-23.3, 049.-01-15.0, 049.-01-16.0, 049.-01-17.0, 049.-01-18.4, 049.-01-19.1, 049.-01-19.2, 050.-01-01.0, 050.-01-02.1, 050.-01-03.1, 050.-01-04.1, 050.-01-04.2, 050.-01-04.3, 050.-01-04.4, 050.-01-05.0, 051.-01-10.1, 051.-01-10.6, 051.-01-10.7, 051.-01-10.8, 051.-01-10.9, 051.-01-12.0, 064.-01-06.3, 064.-01-08.0) in the Town of Clay, Onondaga County, New York (the “Premises”). The machinery, equipment and building materials to be incorporated and installed in the Premises shall be exempt from the sales and use taxes levied by the State of New York if the acquisition thereof is effected in accordance with the terms and conditions set forth in the amended and restated project agreement dated as of [_____, 2026] by and between the Agency and Micron New York Semiconductor Manufacturing LLC (the “Project Agreement”); and the Agent

hereby represents that this contract is in compliance with the terms of the Project Agreement. This contract is non-recourse to the Agency, and the Agency shall not be directly, indirectly or contingently liable or obligated hereunder in any manner or to any extent whatsoever. By execution or acceptance of this contract, the vendor/contractor hereby acknowledges and agrees to the terms and conditions set forth in this paragraph.”

e. That the Sub-Agent shall indemnify and hold the Agency harmless from all losses, expenses, claims, damages and liabilities arising out of or based on labor, services, materials and supplies, including equipment, ordered or used in connection with the Project Facility (including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of any of the foregoing), for such claims or liabilities that arise as a result of the Sub-Agent acting as agent for the Agency pursuant to this Agreement or otherwise.

The Sub-Agent shall indemnify and hold the Agency and its members, officers, agents and employees and anyone for whose acts or omissions the Agency or any one of them may be liable, harmless from all claims and liabilities for loss or damage to property or any injury to or death of any person that may be occasioned subsequent to the date hereof by any cause whatsoever in relation only to the Sub-Agent’s work on or for the Project Facility, including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of the foregoing.

The foregoing defenses and indemnities shall survive expiration or termination of this Agreement and shall apply whether or not the claim, liability, cause of action or expense is caused or alleged to be caused, in whole or in part, by the activities, acts, fault or negligence of the Agency, its members, officers, agents and employees, anyone under the direction and control of any of them, or anyone for whose acts or omissions the Agency or any of them may be liable, and whether or not based upon the breach of a statutory duty or obligation or any theory or rule of comparative or apportioned liability, subject only to any specific prohibition relating to the scope of indemnities imposed by statutory law.

f. That as agent for the Agency or otherwise, the Sub-Agent will comply at the Sub-Agent’s sole cost and expense with all the requirements of all federal, state and local laws, rules and regulations of whatever kind and howsoever denominated applicable to the Sub-Agent with respect to the Project Facility.

g. That Section 875(7) of the Act requires the Agency to post on its website all resolutions and agreements relating to the Sub-Agent’s appointment as an agent of the Agency or otherwise related to the Project, including this Agreement, and that Public Officers Law Article 6 declares that all records in the possession of the Agency (with certain limited exceptions) are open to public inspection and copying. If the Sub-Agent feels that there is information about the Sub-Agent in the Agency’s possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the Sub-Agent’s competitive position, the Sub-Agent must identify such elements in writing, supply same to the Agency prior to or contemporaneously with the execution hereof and request that such elements be kept confidential in accordance with Public Officers Law

Article 6. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the Act.

h. That the Sub-Agent must timely provide the Company with the necessary information to permit the Company, pursuant to General Municipal Law §874(8), to timely file an Annual Statement with the New York State Department of Taxation and Finance on “Annual Report of Sales and Use Tax Exemptions” (Form ST-340) regarding the value of sales and use tax exemptions the Sub-Agent claimed pursuant to the agency conferred on it by the Company with respect to this Project on an annual basis.

i. That the failure to comply with the foregoing will result in the loss of the exemption.

j. That if the Sub-Agent is the general contractor for the Project and if such Sub-Agent is not insured by the Company through an Owner Controlled Insurance Program or similar product (the “Program”) approved by the Agency, then Sub-Agent shall maintain or cause to be maintained the following insurance policies with an insurance company licensed in the State that has an A.M. Best rating of not less than A-:

(i) Insurance against loss or damage by fire, lightning, vandalism, malicious mischief and other perils normally insured against with a uniform extended coverage endorsement, such insurance to be in an amount not less than the full replacement value of the completed Project Facility, exclusive of footings and foundations, as determined by a recognized appraiser or insurer selected by the general contractor.

(ii) Workers’ compensation insurance, disability benefits insurance, and such other form of insurance that the Sub-Agent is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Sub-Agent who are located at or assigned to the Project Facility or who are responsible for the acquisition, construction, installing or equipping of the Project Facility.

(iii) A policy of commercial general liability insurance with a limit of liability of not less than \$1,000,000 per person per accident or occurrence and \$2,000,000 in the aggregate for bodily injury, including death, and property damage, including but not limited to, contractual liability under this Agreement and personal injury, with blanket excess liability coverage in an amount not less than \$2,000,000, covering the Project Facility and Equipment and the Company’s and the Agency’s use or occupancy thereof against all claims on account of bodily injury or death and property damage occurring upon, in or about the Project Facility or in connection with the ownership, maintenance, use and/or occupancy of the Project Facility and all appurtenant areas.

In addition, all insurance required by this section shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Sub-Agent and authorized to write such insurance in the State. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character, and other respects to those in which the Sub-Agent is engaged. All policies evidencing such insurance, except the Workers’ Compensation policy, shall

name the Sub-Agent as insured and the Agency as additional insured, as their interests may appear, and provide for at least thirty (30) days' written notice to the Agency prior to cancellation, lapse, reduction in policy limits or material change in coverage thereof. The policy evidencing the insurance required by this section shall name the Agency as an additional insured on a primary and noncontributory basis with any coverage held by the Agency, if any.

Prior to the effective date of this Agreement, the Sub-Agent shall deliver to the Agency, satisfactory to the Agency in form and substance: (i) certificates evidencing all insurance required hereby; (ii) the additional insured endorsement(s) applicable to the Agency; (iii) the final insurance binder addressed to the Sub-Agent covering the Project Facility; and (iv) evidence that the insurance so required is on a primary and non-contributory basis. In addition, the Sub-Agent shall provide, if so requested by the Agency, a final and complete copy of each insurance policy within thirty (30) days of the execution of this Agreement.

The Sub-Agent shall deliver or cause to be delivered to the Agency on or before the first business day of each calendar year thereafter a certificate dated not earlier than the immediately preceding month, reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required hereby for so long as the Sub-Agent is performing, supervising or causing work to be done on or at the Project Facility. At least thirty (30) days prior to the expiration of any such policy, the Sub-Agent shall furnish to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Agreement.

k. That every controversy, dispute or claim arising out of or relating to this Agreement shall be governed by the laws of the State, without regard to its conflicts-of-laws provisions that if applied might require the application of the laws of another jurisdiction; and that the Sub-Agent irrevocably and expressly submits to the exclusive personal jurisdiction of the Supreme Court of the State and the United States District Court for the Northern District of New York, to the exclusion of all other courts, for the purposes of litigating every controversy, dispute or claim arising out of or relating to this Agreement.

3. Failure of the Sub-Agent to comply with any of the provisions of this Agreement shall result in the immediate nullification of the appointment of the Sub-Agent and the immediate termination of this Agreement and may result in the loss of the Sub-Agent's or the Company's State and local sales and use tax exemption with respect to the Project at the sole discretion of the Agency. In addition, such failure may result in the recapture of the State and local sales and use taxes avoided.

4. The Company acknowledges that the assumption of certain obligations by the Sub-Agent in accordance with this Agreement does not relieve the Company of its obligations under any provisions of the Approving Resolution, the Lease Agreement by and between the Company and the Agency dated as of [_____ 1, 2026], the Project Agreement or of any other agreement entered into by the Company in connection with the Project.

5. The Company and the Sub-Agent agree that the Agency is a third-party beneficiary of this Agreement.

6. This Agreement shall be in effect until the earlier of: (i) termination of the Project Agreement, (ii) the completion of the work on the Project by the Sub-Agent; or (iii) the Sub-Agent's loss of status as an agent of the Agency as set forth herein. Notwithstanding the foregoing, the provisions of Sections 2(b), 2(c) and 2(e) shall survive the termination of this Agreement.

[NO FURTHER TEXT ON THIS PAGE]

IN WITNESS WHEREOF, the Company and the Sub-Agent have caused this Agreement to be executed in their respective names by their respective duly authorized officers, all as of the day and year first above written.

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, Contractor Exempt Purchase Certificate, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your Certificate of Authority, if you are required to be registered as a vendor. See TSB-M-09(17)S, Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, Contractor Exempt Purchase Certificate, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- A. Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- B. Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- C. Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your Certificate of Authority, if you are required to be registered as a vendor. See TSB-M-09(17)S, Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.
