 - (1) the Company or its Subagents, if any, authorized to make purchases for the benefit of the Project, take or purport to take any State sales and use tax exemption benefits to which such person is not entitled; or
 - (2) the State sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its Subagents, if any; or
 - (3) the State sales and use tax exemption benefits are used for property or services not authorized by the Agency as part of the Project; or
 - (4) the Project has failed to comply with a material term or condition to use the property or services in the manner required by any project document between the Company and/or the Agency.

Each of the foregoing four events is hereinafter referred to as a "State-Mandated Recapture Event." The Agency shall evaluate, annually as of December 31, or at any time information is brought to the Agency's attention, whether a State-Mandated Recapture Event has occurred.

- (c) In addition to Section 5.01(b), in accordance with the Policy and the Approving Resolution, the Company covenants and agrees that the Agency shall have the right to suspend, discontinue, recapture or terminate all or any portion of any Financial Assistance:

Notwithstanding the foregoing, the Agency may determine whether an Event of Default has occurred pursuant to any Basic Document in accordance with the terms of the Basic Document.

At the time of any Noncompliance Event, the Agency shall determine by resolution whether to exercise its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance, and shall consider the following criteria in determining whether to proceed to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance:

- Whether the Company has proceeded in good faith.
- Whether the Project has not performed as required due to economic issues, changes in market conditions or adverse events beyond the control of the Company.
- Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance would create a more adverse situation for the Company, such as the Company going

out of business or declaring bankruptcy, which would not occur if the Agency's rights were not exercised.

- Whether the enforcement by the Agency of its right to suspend, discontinue, recapture or terminate all or any portion of the Financial Assistance would create an adverse situation for the residents of the County of Onondaga.
- The assessment prepared in accordance with the Agency's Annual Assessment Policy.

The Determination shall provide terms, if any, by which the Company may remedy any Noncompliance Event upon which the Determination was based. The Company must submit written documentation to the Agency of compliance with all terms and conditions of the Determination in order for the Agency to consider whether to resume Financial Assistance to the Company (which will be at the Agency's sole discretion).

- (d) If a State-Mandated Recapture Event occurs or the Agency makes a Determination, the Company agrees and covenants that it will: (i) cooperate with the Agency in its efforts to recover or recapture any or all Financial Assistance obtained by the Company; and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the State of New York and/or appropriate affected tax jurisdictions, unless agreed to otherwise by any local taxing jurisdiction. The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner may assess and determine the State sales and use tax due from the Company, together with any relevant penalties and interest due on such amounts.
- (e) If a Noncompliance Event occurs and the Agency makes a determination to recapture the Financial Assistance, then the value of the Financial Assistance extended to the Company by the Agency shall be subject to recapture as described below in this paragraph (e).
 - (1) The recapture payment required to be paid by the Company to the Agency shall be equal to the (x) sum of (1) the difference between any PILOT payments made by the Company and the real property taxes that would be paid by the Company if the Project Facility were not under the supervision, jurisdiction or control of the Agency, (2) the value of any mortgage recording tax exemption, if awarded to the Company, and (3) the amount of sales and use tax that would have been paid if an exemption was not granted;

(y) multiplied by the Applicable Percentage as set forth in subparagraph (2) of this paragraph (e).

(2)	Time from Project Completion	Applicable Percentage
	1 year	80%
	2 years	60%

WITNESSETH:

WHEREAS, the Onondaga County Industrial Development Agency (the "Agency") was created by Chapter 435 of the Laws of 1970 of the State of New York (the "State") and Chapter 676 of the Laws of 1975 of the State of New York, as amended pursuant to Title 1 of Article 18-A of the General Municipal Law of the State of New York (collectively, the "Act") as a body corporate and politic and as a public benefit corporation of the State of New York (the "State"); and

WHEREAS, by resolution of its members adopted on May 12, 2020 (the "Approving Resolution"), the Agency authorized the Company to act as its agent for the purposes of undertaking a project for the benefit of the Company (the "Project") consisting of: (A)(1) acquisition or retention of an interest in a portion of approximately 91 acres of land located at Totman Road and Northern Boulevard in the Town of Cicero, Onondaga County, New York (to be designated as tax map no. 054.-01-15.3) (the "Land"); (2) construction on the Land of a 5megawatt (MW) photovoltaic solar power facility and battery energy storage system, including solar panels, power conversion unit, transformers, inverters and other appurtenances (the "Facility"); and (3) acquisition and installation therein and thereon of related fixtures, machinery, equipment and other tangible personal property (the "Equipment") (the Land, the Facility and the Equipment being collectively referred to as the "Project Facility"); and (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, and mortgage recording taxes (subject to the limitations imposed by the Act) (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, by the Approving Resolution, the Agency delegated to the Company the authority to appoint sub-agents subject to the execution of a Project Agreement by and among the Company and the Agency and compliance with the terms set forth therein;

WHEREAS, the Company and the Agency entered into a Project Agreement by and between the Company and the Agency dated as of December 1, 2020 (the "Project Agreement");

NOW, THEREFORE, the parties hereto hereby agree as follows:

1. The Company hereby appoints the Sub-Agent as an agent of the Agency for the purpose of assisting the Company and the Agency in the completion of the Project and benefitting from the State and local sales and use tax exemption relative to expenditures made in furtherance thereof. The Sub-Agent is only an agent of the Agency for the aforementioned purposes. The Sub-Agent hereby agrees to limit its activities as agent for the Agency under the authority of this Agreement to acts reasonably related to the completion of the Project Facility.

2. The Sub-Agent covenants, agrees and acknowledges:

- a. To make all records and information regarding State and local sales and use tax exemption benefits claimed by it in connection with the Project available to the Company and the Agency upon request. The Sub-Agent agrees to comply with all procedures and policies established by the State Department of Taxation and Finance, or any similar entity, regarding the documenting or reporting of any State and local sales and use tax exemption benefits, including providing to the Company all information of the Sub-Agent necessary for the Company to complete the State Department of Taxation and Finance's "Annual Report of Sales and Use Tax Exemptions" (Form ST-340).
- b. To be bound by and comply with the terms and conditions of Section 875(3) of the Act as if such section were fully set forth herein. Without limiting the scope of the foregoing, the Sub-Agent acknowledges that pursuant to Section 875(3) of the Act, the Agency shall recover, recapture, receive or otherwise obtain from the Sub-Agent the portion of the Financial Assistance (the "Recapture Amount") consisting of: (1) (a) that portion of the State sales and use tax exemption claimed by the Sub-Agent to which the Sub-Agent was not entitled, which is in excess of the amount of the State sales and use tax exemption authorized by the Agency or which is for property or services not authorized by the Agency; or (b) the full amount of such State sales and use tax exemption claimed by the Sub-Agent, if the Sub-Agent fails to comply with a material term or condition regarding the use of the property or services as described herein in regard to the Project or otherwise; and (2) any interest or penalties thereon imposed by the Agency or by operation of law or by judicial order or otherwise.
- c. That the failure of the Sub-Agent to promptly pay such Recapture Amount to the Agency will be grounds for the State Commissioner of Taxation and Finance to collect sales and use taxes from the Sub-Agent under Article 28 of the Tax Law, together with interest and penalties. In addition to the foregoing, the Sub-Agent acknowledges and agrees that for purposes of exemption from State sales and use taxation, "sales and use taxation" shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the Tax Law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.
- d. That all purchases made by the Sub-Agent in connection with the Project shall be made using "IDA Agent or Project Operator Exempt Purchase Certificate" (Form ST-123, a copy of which is attached hereto as Exhibit A), and it shall be the responsibility of the Sub-Agent (and not the Agency) to complete Form ST-123. The Sub-Agent acknowledges and agrees that it

shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Sub-Agent is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Sub-Agent acknowledges and agrees that the bill of invoice should state, "I, [NAME OF SUB-AGENT], certify that I am a duly appointed agent of the Onondaga County Industrial Development Agency and that I am purchasing the tangible personal property or services for use in the following IDA project and that such purchases qualify as exempt from sales and use taxes under my Sub-Agent Appointment Agreement." The Sub-Agent further acknowledges and agrees that the following information shall be used by the Sub-Agent to identify the Project on each bill and invoice: Cicero Energy Storage I, LLC Project; Totman Road and Northern Boulevard in the Town of Cicero, Onondaga County, New York (to be designated as tax map no. 054.-01-15.3); IDA Project No.: 3101-20-05A.

e. That the Sub-Agent shall indemnify and hold the Agency harmless from all losses, expenses, claims, damages and liabilities arising out of or based on labor, services, materials and supplies, including equipment, ordered, used or provided by Subagent in connection with the Project Facility (including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of any of the foregoing), for such claims or liabilities that arise as a result of the Sub-Agent acting as agent for the Agency pursuant to this Agreement or otherwise.

The Sub-Agent shall indemnify and hold the Agency, its members, officers, employees and agents and anyone for whose acts or omissions the Agency or any one of them may be liable, harmless from all claims and liabilities for loss or damage to property or any injury to or death of any person that may be occasioned subsequent to the date hereof by any cause whatsoever in relation only to Sub-Agent's work on or for the Project Facility, including any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of the foregoing.

The foregoing defenses and indemnities shall survive expiration or termination of this Agreement and shall apply whether or not the claim, liability, cause of action or expense is caused or alleged to be caused, in whole or in part, by the activities, acts, fault or negligence, other than gross negligence or intentional wrongdoing, of the Agency, its members, officers, employees and agents, anyone under the direction and control of any of them, or anyone for whose acts or omissions the Agency or any of them may be liable, and whether or not based upon the breach of a statutory duty or obligation or any theory or rule of comparative or apportioned liability, subject only to any specific prohibition relating to the scope of indemnities imposed by statutory law.

- f. That as agent for the Agency or otherwise, the Sub-Agent will comply at the Sub-Agent's sole cost and expense with all the requirements of all federal, state and local laws, rules and regulations of whatever kind and howsoever denominated applicable to the Sub-Agent with respect to the Project Facility.
- g. That Section 875(7) of the Act requires the Agency to post on its website all resolutions and agreements relating to the Sub-Agent's appointment as an agent of the Agency or otherwise related to the Project, including this Agreement, and that Public Officers Law

Article 6 declares that all records in the possession of the Agency (with certain limited exceptions) are open to public inspection and copying. If the Sub-Agent feels that there is information about the Sub-Agent in the Agency's possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the Sub-Agent's competitive position, the Sub-Agent must identify such elements in writing, supply same to the Agency prior to or contemporaneously with the execution hereof and request that such elements be kept confidential in accordance with Public Officers Law Article 6. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the Act.

- 3. Failure of the Sub-Agent to comply with any of the provisions of this Agreement shall result in the immediate nullification of the appointment of the Sub-Agent and the immediate termination of this Agreement and may result in the loss of the Sub-Agent's or the Company's State and local sales and use tax exemption with respect to the Project at the sole discretion of the Agency. In addition, such failure may result in the recapture of the State and local sales and use taxes avoided.
- 4. The Company acknowledges that the assumption of certain obligations by the Sub-Agent in accordance with this Agreement does not relieve the Company of its obligations under any provisions of the Approving Resolution, the Lease Agreement by and between the Company and the Agency dated as of December 1, 2020, the Project Agreement or of any other agreement entered into by the Company in connection with the Project.
- 5. The Company and the Sub-Agent agree that the Agency is a third-party beneficiary of this Agreement.
- 6. This Agreement shall be in effect until the earlier of: (i) the completion of the work on the Project by the Sub-Agent; or (ii) the Sub-Agent's loss of status as an agent of the Agency as set forth herein. Notwithstanding the foregoing, the provisions of Sections 2(b), 2(c) and 2(e) shall survive the termination of this Agreement.

[NO FURTHER TEXT ON THIS PAGE]

IN WITNESS WHEREOF, the Company and the Sub-Agent have caused this Agreement to be executed in their respective names by their respective duty authorized officers, all as of the day and year first above written.

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-122 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, error W/A.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of premoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and turnishing of industriat manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commently, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backfroe and a buildozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent at the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 5. Since the concrete, himter, and machinery will actually be incorporated into the project, contractor X may purchase those thems exempt from fax. However, rental of the backhoe and buildozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA muse present suppliers with Form ST-120.1, Contractor Exempt Purchase Certificate, when making purchases that are ordinarily exemps from tax in accordance with Tax Law sections 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- A. Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and meter vehicles or tangible personal property installed in a qualifying meter vehicle) exempt from lax.
- B. Mark box B to indicate you are purchasing detain consumer utiny services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- C. Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony presecution, punishable by a substantial fine and a possible (ail sentence; and
- Revocation of your Certificate of Authority, if you are required to be registered as a verifier. See TSB-M-05(17/S, Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You must identify the project on each bit and invoice for such purchases and indicate on the bit or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in tieu of cellecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- In your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a property completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on the from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was fied, if later.
