NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONONDAGA COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Agency, based upon the representations made by the Company to the Agency in the Application, hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act;

(B) The Project constitutes a "project," as such term is defined in the Act;

(C) The Project site is located entirely within the boundaries of Onondaga County, New York;

(D) It is estimated at the present time that the costs of the planning, development, construction and installation of the Project Facility will be approximately \$2,443,000;

(E) The completion of the Project Facility will not result in the removal of a plant or facility of the Company or an occupant of the Project Facility from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of the Company or an occupant of the Project Facility located in the State;

(F) The Project does not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project, and

accordingly the Project is not prohibited by the provisions of Section 862(2)(a) of the Act, and (2) accordingly the Agency is authorized to provide financial assistance in respect of the Project pursuant to Section 862(2)(a) of the Act;

(G) The acquisition, construction, installation and equipping of the Project Facility and the leasing of the Project Facility to the Company and the acquisition and installation of the Equipment and the leasing of the Equipment to the Company is reasonably necessary to induce the Company to construct the Project in the State;

(H) Based upon representations of the Company and their counsel, the Project Facility conforms with, or prior to the Agency entering into the Agency Documents, will conform with, the local zoning laws and planning regulations of Onondaga County and all regional and local land use plans for the area in which the Project Facility is located;

(I) The granting of the Financial Assistance by the Agency with respect to the Project will promote the job opportunities, general prosperity and economic welfare of the citizens of Onondaga County, New York and the State and improve their standard of living, and thereby serve the public purposes of the Act;

(J) The Agency has reviewed the Public Hearing Report and has fully considered all comments contained therein;

(K) The Project should receive the Financial Assistance in the form of exemptions from certain sales and use taxes, real estate transfer taxes and mortgage recording taxes (subject to statutory limitations) based on the description of expected public benefits to occur as a result of this Project, as described in the Application, and failure by the Company to meet the expected public benefits will result in a recapture event, as described in the Project Agreement;

(L) It is desirable and in the public interest for the Agency to enter into the Agency Documents;

(M) The Agency has assessed all material information included in connection with the Application necessary to afford a reasonable basis for the decision by the Agency to provide the Financial Assistance for the Project as described herein;

(N) The Agency has prepared a written cost-benefit analysis identifying the extent to which the Project will create or retain permanent, private sector jobs, the estimated value of any tax exemption to be provided, the amount of private sector investment generated or likely to be generated by the Project, the likelihood of accomplishing the Project in a timely fashion, and the extent to which the Project will provide additional sources of revenue for municipalities and school districts, and any other public benefits that might occur as a result of the Project; and

(O) The Company has provided a written statement confirming that the Project as of the date of the Application is in substantial compliance with all provisions of the Act.

Section 2. In consequence of the foregoing, the Agency hereby determines to: (A) proceed with the Project; (B) acquire a leasehold interest in the Land and all improvements now or hereafter located on the Land from the Company pursuant to the Underlying Lease; (C) acquire the Equipment pursuant to a bill of sale from the Company; (D) lease the Project Facility to the Company pursuant to the Lease Agreement; (E) acquire, construct and equip the Project Facility, or cause the Project Facility to be acquired, constructed and equipped, as provided in the Lease Agreement; (F) secure any loan the proceeds of which will be used to finance or refinance the costs of the acquisition, construction and equipping of the Project Facility by granting a mortgage lien on the Agency's interest in the Project Facility and entering into one or more mortgages and/or assignments of leases and rents in favor of the Lender; and (G) grant to the Company the Financial Assistance with respect to the Project.

Section 3. Notwithstanding anything herein to the contrary, the amount of State and local sales and use tax exemption benefit comprising the Financial Assistance approved herein shall not exceed **\$64,000** and shall last no longer than two years from the execution and delivery of the Agency Documents. The Agency may consider any requests by the Company for increases to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Section 4. Notwithstanding anything herein to the contrary, the amount of mortgage recording tax exemption benefit comprising the Financial Assistance approved herein shall not exceed **\$14,625**.

Section 5. The Agency is hereby authorized to acquire, construct and equip the Project Facility as described in the Agency Documents, to appoint the Company as an agent of the Agency to undertake such acquisition, construction and equipping of the Project Facility as described in the Agency Documents, and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition, construction and equipping are hereby ratified, confirmed and approved.

Section 6. The Chairperson (or Vice Chairperson) and the Executive Director of the Agency, with the assistance of Agency Counsel, are each authorized to negotiate and approve the form and substance of the Agency Documents.

Section 7. (A) The Chairperson (or Vice Chairperson) and the Executive Director of the Agency are each hereby authorized, on behalf of the Agency, to execute and deliver the Agency Documents, and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same, all in the forms thereof as the Chairperson (or Vice Chairperson) or the Executive Director shall approve, the execution thereof by the Chairperson (or Vice Chairperson) or the Executive Director to constitute conclusive evidence of such approval.

(B) The Chairperson (or Vice Chairperson) and the Executive Director of the Agency are each hereby further authorized, on behalf of the Agency, to designate any additional Authorized Representatives of the Agency (as defined in and pursuant to the Lease Agreement).

Section 8. The Agency shall maintain records of the amount of State and local sales and use tax exemption benefits provided to the Project and each agent or Project operator and shall make such records available to the State Commissioner of Taxation and Finance (the "Commissioner") upon request. The Agency shall, within thirty (30) days of providing any State sales and use tax exemption benefits, report to the Commissioner the amount of such benefits for the Project, identifying the Project, along with any such other information and specificity as the Commissioner may prescribe. As a condition precedent to the Company's receipt of, or benefit from, any State or local sales and use tax exemptions, the Company must acknowledge and agree to make, or cause its agents and/or operators to make, all records and information regarding State and local sales and use tax exemption benefits available to the Agency upon request. The provisions of Section 875 of the Act are hereby incorporated herein as if set forth herein and the Agency agrees that it shall comply with the requirements of such Section 875 of the Act.

Such agents and sub-agents may include contractors and subcontractors involved in the acquisition, construction, installation and equipping of the Project Facility.

Section 10. The terms and conditions of subdivision 3 of Section 875 of the Act are herein incorporated by reference and the Company and/or any Sub-Agent shall agree to such terms as a condition precedent to receiving or benefiting from an exemption from State and local sales and use tax exemptions benefits.

Section 11. As a condition precedent to the granting of the Financial Assistance, the Company agrees to execute an agreement with the Agency setting forth the preliminary undertakings of the Agency and the Company with respect to the Project.
